Revision Sheet 26 – Histograms, Stem-and-leaf Plots, Box Plots

The following are the number of hours of homework done by students in the diving club last week:
2, 6, 1, 0, 1, 12, 5, 4, 4, 2, 7, 3, 4, 3, 5, 9, 6, 1, 4.

Put the data in order and find the 5-number summary.

Draw a box plot of the data.

Make a frequency table of the data.

Produce a histogram and a stem-and-leaf plot of the data.
